The Association of Official Seed Certifying Agencies (AOSCA), named Billy Skaggs as the new President of the Board of Directors during the 2023 AOSCA Annual Meeting in Bloomington, MN on June 7, 2023. Elected by AOSCA membership, Skaggs has been a long-standing member of AOSCA representing Georgia Crop Improvement Association, one of the top five largest seed certifying agencies in the United States. Additionally, the Board of Directors elected the organization's Vice-President, for 2023-2024, as Doug Miller, Executive Director of the Canadian Seed Growers Association. It is leaders like them and our other board members that help organizations like AOSCA maintain relevancy in an ever-changing agriculture system."
